ORGANIZATIONS

AcletisLtd, FORTUNA, Intern

Lagos, Nigeria

Our company specializes in delivering cutting-edge software solutions for loan management. We streamline the lending process for financial institutions, enabling them to efficiently handle loan applications, approvals, repayments, and credit history tracking.

IETECH, Worker

Lagos, Nigeria

My Role As a software engineer, I played a key role in developing both the frontend and backend of our internet banking system. Using React for the frontend, I crafted intuitive user interfaces that offer a smooth and responsive user experience. On the backend, I utilized .NET to design and implement robust APIs and services.

COURSES

Entrepreneurship, Henly Business School

Lagos, Nigeria

Software Development, SEMICOLON

Lagos, Nigeria
